A Better Future

INTRODUCTION

"In order to build a better future for our clients and ourselves we need to live our values. Our values define who we are as an organisation. After much considered deliberation, we choose Innovation, Excellence and Integrity as our new values because we believe these truly represent the foundation of Fidelity and will best position us for the next decade of growth"

Brian Conroy

Presentation for Hard Margin explained in the work shop for the CEO's for an International Bank

Web Apps Visual Layout for the Patients for the Healthcare Apps

Standard Chartered

Risk Framework

Common issues and most likely steps to remediate

Issue	Resolution
Outstanding trades with no reply from salespersons	<ul style="list-style-type: none"> 3 < 5 days: Send chaser email to salesperson & BORM > 5 days: Send chaser email to BORM
Inadequate justification provided	<ul style="list-style-type: none"> Reply email asking further evidence/justification to be provided (e.g. screenshots for cancelled trades)
Salespersons questioning about the Ad-hoc review requests (i.e. unsure why they have to complete template even when they are within the thresholds)	<ul style="list-style-type: none"> Highlight to salesperson that the trade is randomly picked up by an independent reviewer Highlight that according to the FX Fair Pricing Policy, "Support for HM may be requested for certain transactions that do not exceed the given thresholds"

Escalation requirements

- Trades/margins which are not signed-off by Regional Sales Head within 60 days are escalated for remediation review
- Continue to report exceptions so long as they have not been signed off in the following baskets: >60 Days; >90 Days; >120 Days

Web Apps for the Termsheet Completeness for an International Bank

The image displays five screenshots of web-based applications used for managing termsheets and trades across multiple locations.

- Top Left:** A screenshot of a CDMS interface showing various fields for a termsheet. A red arrow points to the "TS Control Comments" dropdown, which includes options like "Archived", "Dispensation", "Fail", "False Positive", "Investigate", "Remediated", and "TS found".
- Top Right:** A screenshot of a "Termsheet Analytics" dashboard. It shows search criteria for trades (e.g., Date Range: 12-Oct-2016 to 02-Dec-2016, Status: 10 Ready, Source System ID: 12 Segment, Source System Trade ID: 1234567890, Target System ID: 1234567890, Target System Trade ID: 1234567890) and a grid of trade details.
- Middle Left:** A screenshot of a CDMS interface similar to the top one, with a red arrow pointing to the "TS Control Comments" dropdown.
- Middle Center:** A screenshot of a "Processing" module for MX. It shows a sidebar with "Trade workflow", "Document workflow", "Market operations", "Corporate actions", "Forge", "Processing scripts", and "Tools". A red arrow points to the "Trade query" link under the "Tools" section.
- Middle Right:** A screenshot of a "Flexible deal" screen for MX. It shows deal details (e.g., Deal ID: 44100045, Counterparty: FAIRSELL, Type: FAIRSELL, PNL Instrument: FAIRSELL, Formula: FAIRSELL, Sort: Description, Quantity: 1,200,000.00), a "Strategy" section, and a "Brokerage" tab.
- Bottom Left:** A screenshot of a CDMS interface similar to the others, with a red arrow pointing to the "TS Control Comments" dropdown.
- Bottom Center:** A screenshot of a "Trade query" dialog box. It contains fields for Transaction date (02 Oct 2016 to 02 Dec 2016), Insertion date (02 Dec 2016 to 02 Dec 2016), Expiry date (02 Dec 2016 to 02 Dec 2016), User (SHALIM), Status (Live & Partial), Validation level (dropdown), Portfolio (checkbox checked, ALLMATENT/HKG), Counterpart (checkbox checked, ALLMATENT/HKG), Portfolios (dropdown), Entity (dropdown), Strategy (dropdown), Accounting section (dropdown), Client (checkbox), Family (dropdown), Group (dropdown), Type (dropdown), Instrument (dropdown), and Typology (dropdown). Buttons include "Browse" and "Close".
- Bottom Right:** A screenshot of a "Trade query" results page titled "TRADE QUERY RESULTS FOR TRADES : Trade query". It shows a table with columns like Deal ID, Deal date, Entity, Status, Product Class, FMA Rating, Aging, and Metrics. One row is highlighted with a yellow background.

Web Apps for the Govt Tech Project at Accenture

A screenshot of the SingPass desktop application. The header includes the SingPass logo, navigation links (Home, My Account), and a 'Logout' button. The main content area displays a welcome message: 'Welcome to SingPass, User S5005039D'. It also includes a note: 'Please use a strong password for your SingPass account and change it regularly. Your password will expire on 28/11/2019. Remember to update your password before it expires.' Below this are four circular icons labeled 'Update Profile', 'Change Password', 'View History', and 'Set up 2FA'. The footer contains links for 'Privacy Statement', 'Terms of Use', and 'Rate This Website', along with a note: 'Last updated on 07 January 2018 © 2018 Government of Singapore'.

A third screenshot of the SingPass desktop application. The layout is identical to the second one, featuring the same header, welcome message, and footer. The background image is different, showing a blurred image of a person holding a smartphone. The bottom navigation bar is identical to the previous screenshots.

Web Apps for the Govt. Tech Project at Accenture

The images show the following screens:

- Set up 2FA**: A page for setting up two-factor authentication. It shows two options: "SingPass Mobile" (Processing time: immediate) and "OneTime Tokens" (Processing time: 7 working days). A sidebar on the left has icons for help, feedback, and reporting.
- View History**: A page for viewing transaction history. It includes a search bar for transaction period (set to "Last 7 Days") and date selection, with a "Search" button. A sidebar on the left has icons for help, feedback, and reporting.
- Update Mobile Number**: A page for updating the mobile number associated with the account. It asks for the postal code (550254), current mobile number (****), and new mobile number (+65 followed by a placeholder). A sidebar on the left has icons for help, feedback, and reporting.
- Manage 2FA**: A page for managing two-step verification. It shows a "Mobile Number" field with "Need to change" and a note to click here to view services requiring 2FA. A sidebar on the left has icons for help, feedback, and reporting.
- Update Profile**: A page for updating the user's profile information. It includes fields for SingPass ID, mobile number (+65 placeholder), email address (mssnaini@yahoo.com), preferred mode of contact (SMS or Email selected), and a note about green notifications. A sidebar on the left has icons for help, feedback, and reporting.

Register for SingPass

This will take about 3 minutes to complete.

Before you start please ensure that:

- You are eligible for SingPass
- Singapore Citizens and Permanent Residents
- Passholders (Employment Pass, EntrePass, S-Pass, Dependant Pass, Long Term Visit Pass Plus)
- Selected Work Permit Holders [Find out more on your eligibility](#)

Your address as in your NRIC/FIN is updated. If not, [Get more information here](#).

Please note:

1. You can only register for a SingPass account once. All SingPass account requests are final and cannot be canceled or re-submitted.
2. As your SingPass password will be mailed to your registered local address, please ensure that your address registered with the Government is up-to-date before proceeding.

<https://www.singpass.gov.sg/singpass/common/contactus>

You have logged in successfully

Continue

Use SingPass Mobile to log in next time, it's easy!

- Just scan
- and verify

You don't have to type your SingPass ID and password anymore.

CSV Screens delivered for a Leading Financial Institution High Fidelity design in Figma

CSV Screens delivered for a Leading Financial Institution High Fidelity design in Figma

The image displays six Figma wireframes for a financial institution's system, likely ANZ, showing high-fidelity designs for various user interface components:

- User Details Screen:** Shows user information like First Name (John), Last Name (Doe), Customer Name (Acme Ltd), Group Type (Platinum), and roles (Account Manager, Service Manager, Relationship Manager). It also shows a Self Service section with contact details (Email: jdoe@acme.com, Mobile: +6144877995) and a note that password reset is required.
- Entitlements Screen:** A table showing entitlements for Admins across different divisions. It includes columns for Division ID, Division Name, Role Name, Role Family, Role Type, and Details.
- Resource Profile Screen:** A modal showing resource profiles for Smart Card, Transaction Global, and Token, all marked as Provisioned.
- Entitlements Modal:** A detailed view for the Admin role in the Acme Div. It lists entitlements for Daily, Batch, and Transaction operations, such as All Domestic (Direct Debit) and International Payments.
- Reporting Screen:** A table titled "Reporting (X) Product Family - Cash Management" showing permissions for various countries and products. It includes columns for Country, Product, All Permission, View, Make Payments to advise payees, Make Payments using approved templates or Pages, File Import, Get Rate / Trade, Approve, and Allow self Approve.
- Payment Management Screen:** A table titled "Payment Management (X)" showing payment methods for Domestic, Other Payments, and International categories. It includes columns for Domestic (AU Domestic Credit Cards, AU Direct debits, AU Domestic BACS), Other Payments (AU BPay), International (Transfers), and International Payments.

Developing and Maintaining for a Media Co. their Beebly website, an online library in Philippines

The screenshot shows the homepage of the Beebly website. At the top, there is a header bar with the URL "Not Secure | augustmh.com/beeblypreview/", the address "100G Pasir Panjang Road, #06-14 Interlocal Centre, Singapore 118523", and the phone number "+65 65920577". Below the header is the Beebly logo, which consists of a stylized orange hexagon icon followed by the word "Beebly". A navigation menu with links to HOME, ABOUT, PRICING, ADVISORS, ACTION, BLOG, and CONTACT is visible. The main content area features a large, semi-transparent image of a young woman with long dark hair, wearing a grey sweatshirt, sitting at a desk in a library and writing in a notebook. Overlaid on this image is the text "Philippines' Biggest Online Library" in large, bold, white and orange letters. Below this, a smaller text box reads: "Beebly is a world-class online library that brings high quality educational content to the palms of readers." At the bottom left of the page, there is a URL "www.augustmh.com/beeblypreview/#bootcarousel".

The screenshot shows the "Our Locations" page of the Beebly website. It features a map of Singapore with various landmarks labeled, including the Singapore Botanic Gardens, Clarke Quay, Mount Faber Park, and Sentosa. A red location pin is placed on the map. To the right of the map, there is a sidebar with the heading "Drop Us A Note". It contains a message box with placeholder text: "Occasional terminated insensible and inhabiting gay. So know do fond to half on. Now who promise was justice new winding". Below this is a form with fields for "Name", "Email*", "Phone", and a "Tell Me About Courses *" text area. At the bottom right of the sidebar is a "SEND MESSAGE" button.

Thank You!
